Dear Keizer Families,

**We are so excited to welcome your children back into our building in-person,
five days a week!**

We are looking forward to a school year that feels a bit more “normal,” although the world still looks and feels quite different these days. As you have likely heard, face coverings will continue to be required indoors for all students, staff, and visitors per a government mandate. We will continue to follow other safety protocols, including physical distancing, handwashing and sanitization, and frequent cleaning.

We would like to invite you into the building for our Meet and Greet event on Tuesday, September 7, 2021 from 5-6:30pm. This event is a great opportunity for students in all grades to bring school supplies and meet their teacher. Check out the [school supply list](#) needed for your child’s classroom.

Additionally, as we prepare for next year, hand sanitizer and disinfecting wipes will not be included in supply lists. The district will be providing these for all schools. We are being asked to send these items back home with any students who do bring them.

There is a change to our bell times this school year. School hours are 7:50am-2:20pm. Students may arrive at 7:35am for breakfast but **please keep in mind that there will not be supervision before that time**. Doors open at 7:35am for all students to enter the building. Late start will occur every Wednesday, students will begin their school day at 8:50am with breakfast being served at 8:35am. All students are eligible for no cost breakfast and lunch again this year. Arrival and dismissal procedures will be very similar to what they were last school year. More details to come.
